ABOUT US

CAMPO FINO ALIMENTOS: TRADITION AND INNOVATION

Since 1970, Campo Fino Alimentos has built a solid trajectory, marked by consistency, growth, and trust.

More than FIVE DECADES of history support an efficient operation, focused on quality, consistency, and performance.

With a consolidated presence in the grains and sugar markets, the company combines operational efficiency with high quality standards.

EXPANSION AND MODERNIZATION

- 2003–2004: Migration to a new rural facility with modern processing lines.
- 2009: Complete technological upgrade of the bean processing line.
- 2019: Launch of the Campo Fino Premium line and transition of the institutional name to Campo Fino Alimentos.
- 2020: Factory expansion to 10,000 m², doubling production capacity with state-of-the-art equipment and new packaging.

Campo Fino

RICE, BEANS AND SUGAR

MISSION

Ensure the supply of food with quality, safety, and efficiency, serving customers with operational excellence and contributing to the nourishment of thousands of families.

VISION

To be a benchmark in the food processing and distribution sector, standing out for production capacity, innovation, and reliability in delivery.
